Instructions

1. Using a pencil, lightly sketch five wavy lines on the frame.
2. Starting from the bottom, fill in the wavy blocks with Bright Green, Forest Green, Lime Burst, Razzberri, Royal Fuschia, and Christmas Red. Let dry.
3. Lightly sketch tear drop shaped watermelon seeds randomly throughout the pink and red part of the frame.
4. Using a liner brush, fill in the seeds with Flat Black.
5. Splatter the frame with Flat Black. Let dry.
6. Lightly sketch or transfer the lettering onto the bottom of the frame. Slowly fill in the letters using a liner brush and White.
7. Add white detail to the seeds with a Liner Brush.
8. Splatter the frame with White. Let dry. If sealing with a spray or brush on clear gloss, do that now. Let dry.
9. Apply E6000 to the back of the frame. Attach the backing and secure with rubber bands. Let dry 24 hours.
