Instructions

1. Use a fan brush to paint the inside and outside of the votive with 3 coats of Sea Glass Sheer Foundations.
2. When dry, use a fan brush to add patches of Butter Me Up horizontally along the votive.
3. When dry, use a liner brush to add Elephant Ears in the ribs of the pumpkin.
4. Repeat steps 2 and 3 if needed.
5. Use a fan brush to add a thick but uneven coat of White Cobblestone along the top and bottom of the votive.
6. Use a fan brush to thin a small pile of Crackerjack Brown with water and splatter the votive. Repeat with Elephant Ears.
7. Do not clear glaze. Fire to cone 06.
