BLS934-8 Arazmatazz
RAQUA202 Aqualon Wisp Flat Brush

SUPPLIES

Assorted Royal Aqualon Brushes
Detail Brush
Water

INSTRUCTIONS

Lightly wipe ware with a damp sponge to prepare surface for painting.

Jubilant Tree : 1. Paint two sections of the tree body with 3-4 coats of Limelicious. Let dry.

2. Paint the remaining sections with 3-4 coats of Mint Shake.

3. Paint the base of the tree with 3-4 coats of Strawberry Field.

4. Alternate using 3-4 coats each of Pumpkin Head, Mermaid's Song, and Arazmatazz to fill in each ornament shape with a detail brush.

5. Use a detail brush or the EZ-Dotz wheel to create strings of lights along each section line with Snow Queen. Let dry.

Jolly Tree : 1. Paint two sections of the tree body with 3-4 coats of Limelicious. Let dry.

2. Paint the remaining sections with 3-4 coats of Mint Shake.

3. Paint the base of the tree with 3-4 coats of Strawberry Field.

4. Paint the tree top with 3-4 coats of Sunny Tuscany.

5. Alternate using 3-4 coats each of Mermaid's Song and Arazmatazz to paint each section band with a detail brush.

6. Add scattered Snow Queen dots to the tree body using a detail brush or the EZ-Dotz wheel.

Joyful Tree : 1. Paint the tree body with 3-4 coats of Mint Shake. Let dry.

2. Once dry, use a Wisp Flat Brush to lightly add Limelicious brushstrokes around the tree body.

3. Paint the tree base with 3-4 coats of Strawberry Field.

4. Alternate using 3-4 coats each of Pumpkin Head, Mermaid's Song, and Arazmatazz to fill in each ornament shape with a detail brush.

5. Use a detail brush or the EZ-Dotz wheel to create strings of lights across the tree with Snow Queen. Let dry.

Once complete, dip each piece in Colorobbia Super Clear Dipping Glaze and fire to Cone 06.
