

# BEADED BOHO PLANTER

## MATERIALS

- 3187** Beaded Planter
- 9599** Hydra Art Sponge
- Assorted Brushes**

## GLAZES

- EL125** Sahara Sands
- EL127** Rose Granite
- EL149** Lavender Flower

## INSTRUCTIONS

1. Wipe down the planter with a clean Hydra Art Sponge.
2. Use a large square brush or fan brush to paint the top  $\frac{1}{3}$  of the planter with a generous coat of Lavender Flower.
3. Paint the middle area of the planter with a generous coat of Sahara Sands
4. Paint the bottom  $\frac{1}{3}$  of the planter with a generous coat of Rose Granite. Paint the bottom surface of the planter as well.
5. While the paint is still slightly damp, dip a clean large square brush or fan brush into water.
6. Use the damp brush to blend the paint colors at each point where they meet.
7. Repeat steps #2 - #6 until 3 coats of color are applied to the outside of the planter. This blending technique works best before the colors have fully dried.
8. Allow your piece time to dry.
9. Paint the inside surface and rim of the planter with 2-3 coats of your choice of Mayco Elements color.
10. Allow the project to dry completely, then fire to cone 06. No need to clear glaze!
