INSTRUCTIONS

1. Dust off the watering bell with a dry Hydra Art Sponge.
2. Paint the bottom $\frac{3}{4}$ of the watering bell (including the base) with 2 coats of Brick Red Engobe.
3. Allow your project time to dry.
4. Paint 2 coats of Opal Lustre over the top $\frac{3}{4}$ of the watering bell, overlapping the Engobe glaze.
5. Allow your project time to dry.
6. Paint 2 coats of Tiger's Eye over the Opal Lustre, leaving approx. $\frac{1}{2}$ " of the Opal Lustre layer showing.
7. Allow your project time to dry.
8. Ensure the watering bell's holes are clear of any glaze. If needed, use a cleaning tool to unclog the holes.
9. Fire to cone 6 and enjoy!
