Instructions

1. Use a large brush to paint 2-3 coats of Vanilla Dip all over the Egg Tray.
2. When the background is dry, use a pencil to lightly sketch horizontal and vertical lines on the tray. Starting in the middle flat section will make it easier to gauge where to draw over the bumpier sections.
3. Dip a small flat brush in Silver Lining and fill in the vertical lines with 2-3 coats.
4. When the vertical lines are dry, use the flat brush to fill the horizontal lines in with Gray Hare. Let dry.
5. Where the lines overlap, use the flat brush to paint that square with Charming. Let dry.
6. Cut out the bunny outline.
7. Place in the middle of the tray. Use a pencil to lightly outline the bunny.
8. Lightly outline the egg holders on the tray with the pencil.
9. Use a liner brush to outline the bunny and egg holders with Tuxedo.
10. Use a small round brush to fill in the rest of the tray with Tuxedo, leaving the bunny and egg holders unpainted.
11. Dip a sponge in Tuxedo and dab the edges of the tray.
12. Clear glaze and fire to cone 06.
