## INSTRUCTIONS

Firstly, wipe down each arch with a dry Hydra Art Sponge.

### Interlocking Arches Figurine - Small:

1. Use a fan brush to paint the arch with 3 coats of Basketball.
2. Across the top surface of the arch, use a script brush and 2-3 coats of Army Surplus to add a herringbone pattern of colored dashes. See sample image for reference.
3. On each side surface of the arch, repeat the same herringbone pattern using 2-3 coats of Old Lace.

### Interlocking Arches Figurine - Medium:

1. Use a fan brush to paint the arch with 3 coats of Old Lace.
2. Use a detail liner or script brush and 2 coats of Tuxedo to paint a leafy vine across the arch surface.
3. Add accent brushstrokes to the inside of each leaf with Gray Hare.
4. Add small detail lines inside each leaf with Tuxedo.
5. Outside the leaf designs, add scattered Army Surplus accent lines.
6. Add scattered Basketball dots on the arch, in various sizes.

### Interlocking Arches Figurine - Large:

1. Use a fan brush to paint the arch with 3 coats of Army Surplus.
2. Dip a toothbrush into Basketball. Angle the toothbrush towards your piece, then rub your finger or thumb over the toothbrush bristles to splatter paint the piece.
3. Repeat the same splatter technique on the arch using Old Lace.

Lastly, clear glaze each arch and fire to cone 06. Enjoy!
